COLDEST WEATHER IN 50 YEARS AT COLLEGE

State College, N. M., Jan. 10.-The coldest weather ever recorded at the college was on Wednesday morning at college was on Wednesday morning at I a. in. The mercury dropped to eight degrees below zero. This is the coldest weather in 50 years according to records kept at old fort Filmore before the college was established. The temperature was at zero at 8 oclock in the morning and never rose above 14 degrees all morning. The highest temperature of the day was at 2:20 p. m., when the mercury reached 22 degrees. These are all government records.

Miss Long and Ollie Smith spent Tuesday in El Paso visiting their mother.

Miss Alberta Harper is visiting her slater at the dormitory for a few days.

Miss Linda Kennedy, of Knoxville, Tenn, will enter the college on Fri-Miss Mac Harris, of El Paso, has re-

Alles Mac chirris, of Ed Paso, has re-turned to school.

The date for the basketball games in El Paso has been changed from January 11 to January 18. Both the girls and boys teams will play the high school teams.

Laurens Weddell went to El Paso on business Thursday.

ANCIENT JOKES ARE HANDED THE INSPECTORS
Customs inspectors enjoy a joke, but they get swifelly tired of the alleged wit of the people who come back from Justex every day and try to be funny. "Have you anything that you purchased or acquired in Mexico?" all returning passengers are asked. The man who wants to be funny must always reply, "Only a drink," or some of the one thousand and one variations of that same alleged joke.

During the present days, when racing and the flestas are in full swing, the was who would be very funny replies, "Only an empty pocket," or "two dollars I won; they are Mexicanos." HANDED THE INSPECTORS

There is not an inspector in the service who has not heard all of those replies and as many more of them as there are variations in a ragtime musi-

Railroad News Of the Southwest

Frank Myers, passenger engineer or the Santa Fe, has reported for duty. Conductor Beauman, of the T. P., has eported for duty after a week's layoff. Engineer O. M. Munger, of the T. P., has reported for duty after being off for one trip.

L. B. Gibbons, conductor on the S. P. is laying off and extra conductor C. A. Smith is relieving him. W. S. Caldwell, conductor on the Southwestern, has reported for duty after a short layoff.

No. 1002, the train de luxe of the G.
H., passed through El Paso for the
east Thursday night on time.

John Ulrey, engineer on the Southwestern, has been assigned to the local run between El Paso and Duran.

J. W. Johnson, firstenson on the T. P. J. W. Johnson, fireman on the T. P., who has been working as hostler for a few days, is now back on the road. R. R. Sales, brakeman on the South-western at Carrizozo, has reported for duty after being off for several trips, H. S. Sims, conductor on the G. H. at Sanderson, has been assigned to a reg-ular run between Sanderson and Vai-

Thursday for a trip over his division.

Fireman Hoosen, of the S. P., who has been off for several weeks on account of being injured in the collision near Lordsburg. N. M., is now reported to be improving.

There is a shortage of brakemen and switchmen in El Paso at present, and even from as far east as San Antonio there are requests being received in El Paso for experienced men.

Estil Boyes carneller on the G. H.

Estil Boggs, carpenter on the G. H. bridge gang, has reported for duty after a short layoff in order to be with his sister, Miss Stella Boggs, who is seriously ill in Hotel Dieu.

The families of J. Neal and George Ealand, car inspectors for the Southwestern, have moved from El Paso to Benson. Mesars Neal and Ealand were recently transferred to Benson for service.

Lee Snyder, conductor on the Daw-son branch of the Southwestern at Tucumcari, has been promoted to be a passenger conductor and is now working on Nos. 123 and 124, the mixed passenger runs between Tucumcari and Dawson.

HILLIS ARRIVES TO BECOME TRAINMASTER

Austin, Texas, Jan. 11.—The state department of insurance and banking has made public a statement showing that on January 1, 1913, the total amount to the credit of that fund was \$708,374.82, of which \$177,110.70 is cash on hand in the state treasury and \$531,264.12 on deposit in 698 state banks and subject to the check of the commissioner of insurance and banks in process of liquidation, which involves \$7,195.20 of the total fund, leaving a working balance in the fund of \$701,-179.62, of which \$175,311.13 is in cash and \$525,568.47 on deposit in the banks. The halance on hand in this fund is \$167,474.16 in excess of the amount on hand one year ago. Fifty-five banks are under the bond system and the total amount of the bonds reaches \$5,250,000. The total number of banks doing business on January 1 was 152.

Col. Clem Is the Man-Col. West Has a Medal of Honor-Army News.

Washington, D. C., Jan. 16.—There is only one civil war officer on the active ist of the army today, Col. John L. Hem, quartermaster corps, the senior officer of his rank in that branch of the service. Col. Clem will not retire for age until August 12, 1915.

Col. Frank West, commanding the Id cavalry and Fort Elias, is one of the very few officers in the army who has a medal of honor, awarded him by congress for bravery in action against the enemy.

Changes is the Active List.

Changes is the Active List of the drive list. In 1912, the active list of the drive list. In 1918, 162; in 1969, 133; in 1968, 139; in 1961, 129, and in 1908, 153.

As 96 West Point cadets were graduated and appointed to the army last year, there is a net gain to the active list of 37 military academy graduates. This is an increase of six over the net gain of 1911. There were on January 1, 1913, 1921 gradules of West Point on the active list of the army, considerably less than one-half of all the officers.

Appointments to the Army. Appointments to the Army.
Two hundred and twenty-six new officers were appointed in the army in
the calendar year 1912. Of that numher, 184 were commissioned second
leutenants, and of the 42 other appointments, 38 went to the medical
corps as first lieutenants, and four
were chaplains. Ninety-six of the appointments were graduates of West
Point, 16 were from the ranks in the
army, and 135 were from civil life.
Four of those credited to civil life were
former midshipmen.
Resignations.

BECOME TRAINMASTER

James Hillis, formerly chief despatcher of the Texas & Pacific railroad at Pert Worth, has arrived in El
Paso to resume the duties of trainmaster of this division. He will make
his headquarters in El Paso. W. H.
Homan, who has been trainmaster of
the El Paso division, goes to Big
Springs as trainmaster of the Big
Springs as trainmaster of the Big
Springs and Toyah divisions.

All engineers, conductors and brakeman on the G. H. and T. P. Joint track
are undergoing examinations on the
book of rules. This is an innovation
and some men who have been with the
road for 20 years are taking the examination for the first time.

Assistant superintendent H. W. Connolly, of the G. H., went to Dei Rio,
Tex., Thursday morning.

GUARANTY FUND

EXCEEDS \$6,000,000

Foundation of the court
to the forfet ure of \$40 a month for
six months.

This year president to the civil life were
former midshipmen.

Resignations.

The number of officers who resigned
their commissions in the army in 1912
jumped fo 17, as against 11 in the preceding year. Of those who resigned
their commissions in the army in 1912
jumped fo 17, as against 11 in the preceding year. Of those who resigned
their commissions in the army in 1912
jumped fo 17, as against 11 in the preceding year. Of those who resigned
their commissions in the army in 1912
jumped fo 17, as against 11 in the preceding year. Of those who resigned
their commissions in the army in 1912
jumped fo 17, as against 11 in the preceding year. Of those who resigned
their commissions in the army in 1912
jumped fo 17, as against 11 in the preceding year. Of those who resigned
their commissions in the army in 1912
jumped fo 17, as against 11 in the preceding year. Our theorem, of the president such army in 1912
jumped fo 17, as against 11 in the preceding year. Our theorem who learned to five were second lleutenants, five were second lleutenants and one was a chaplate of the president who were first lleutenant, was
later reappointed. Seven of those wh

dent changed the decision of the court to the forfei ure of \$40 a month for six months.

This year president-elest Wilson will have an opportunity of appointing four officers of that rank will retire for age. President Taft has two brigadier-generals to appoint, one to succeed Gen. George S. Anderson, who retired on October is last, and another to take the place of Gen. Edward J. McClerannd, who retired on December 23. The following are the general officers who will retire for age this year: Brig. Gen. Walter S. Schuyler, commanding the department of California. April 25; Prederick A. Smith, department of the Missouri, May 15; Edgar Z. Steever, department of Texas, August 26; Raiph K. Hoyt, department of the Lakes, October 2.

Col. Alexander O. Brodie, former governor of Arizona, will be retired during the year on November 13.

Reber May be Elevated.

It is reported that Maj. Samuel Reber, former chief signal officer of the department of Texas, a soninlaw of Gen. Nelson A. Miles, it to be made chief of the signal corps of the army, the is one of the officers prominently mentioned for the place.

The name of First Lieut. Will be rederick Mears, 2d cavalry, has been placed on the list of detached officers, and the name of First Lieut. Will sam G. Meade cavairy, removed therefrom. Lieut. New Campaign Hat.

The war department is now working on a modification of the 2d cavalry, and upon his relief from recruiting duty will join regiment.

New Campaign Hat.

The war department is now working on a modification of the campaign hat the stiff brim and if peasible, that the crown will be enlarged slightly. The brim of the new campaign hat will be of about the same stiffness of the hat worn ity the cowboys. If will he stiff enough to hold its form, but at the same time will not be so rigid as to

Commissions of Officers.

The army has been amazingly reconstituted in its corps of officers since the Spanish war. Out of its present list of officers no less than 3474 have entered the service since January 1, 1898. In other words 78 percent of the commissioned personnel have been soldiers less than 15 years. Only 267, less than a thousand, were in the army prior to the war with Spain.

General Officers.

Dr. Robinson, disease of the non-bisteries, 211 Roberts-Banner Bldg.

Prevent Escape of Amerchists.

Paris, France, Jan. 10.—Twenty-two amerchists now awaiting trial on the charge of being associates of the non-bisteries gang, nearly stereded in making their scape from the prison de la Sante. A prisoner numed Eckerlen, whose cell was next to the guard's room managed to break in during the absence of the later. He drassed himself in a uniform and was in the act of opening the cells of the bundlis when he was discovered by the chief guard.

Do You This Way?

Do you feel all tired out? Do you sometimes think you just can't work away at your profession or trade any longer?

Do you have a poor appetite, and lie awake at night unable to sleep?

Are your nerves all gone, and your stom-Has ambition to forge ahead in the world

left you? If so, you might as well put a stop to your misery. You can do it if you will.

Dr. Pierce's Golden Medical Discovery

will make you a different individual. It will set your lazy liver to work. It will set things right in your stomach, and your appetite will come back. It will purify your blood. It is a remedy originally prepared by Doctor R. V. Pierce. Medical advice is given free to all who wish to write for same. Great success has come from a wide experience and varied practice. Pierce's medicines are of known composition.

communications Questions of Life

Are fully and properly answered in The People's Common Sense Medical Adviser by E. V. Pierce, M. D. As a result of knowing the laws of bealth and nature, happy marriages are sure to follow. Ignorance leads to misery and Hi-health. All the knowledge a young man or wo-man, wife or daughter should have, is contained in this big Home Doctor Book containing 1008 pages with engravings and color plates, and bound in cloth, (nearly 700,000 copies formerly sold for \$1.50 each) is sent free to any one send-ing if one cent stamps to propay cost of wrapping and potage.

Address R. V. Pierce's Invalids Hotel Buffalo, N. Y. borrows

Dr. Pierce says: "This tonic contains no alcohol to shrink up the red blood corpuscies; but, on the other hand, it increases their number and they become round and healthy. The experience of many is that it helps the human system in the constant manufacture of rich, red blood. It helps the stomach to assimilate or take up the proper elements from the food, thereby assisting digestion and curing dyspepsia, heart-burn and many uncomfortable symptoms, stops excessive tissue-waste in convalescence from fevers; for the run-down, anaemic, thin-blooded people, 'Discovery' is refreshing and vitalizing. Stick to this safe and same remedy, and refuse all 'just as good' medicines. Nothing but Discovery Golden Medical Discovery will do you half as much good." It has been sold by druggists for over 40 years, in fluid form, at \$1.00

per bottle, giving general satisfaction. It can now be had in tablet form, as modified by R. V. Pierce, M. D. Sold by medicine dealers or sent by mail on receipt of 50-cents in 1 cent stamps.

An invitation is extended by Dr. Pierce to every sick and ailing man or woman to consult the Faculty of the Invalids' Rotel at Buffalo, N. Y., by letter, entirely without cost.
